Dear Chief Viverette:

On behalf of the Criminal Justice Coordinating Commission of Montgomery County, I want to extend congratulations to you on your selection as President of the International Association of Chiefs of Police. This is a great professional accomplishment that reflects very well on your career of hard work and outstanding leadership as a Police Chief. The City of Gaithersburg and Montgomery County are very well served by your professionalism and your dedication to the safety and security of our residents.

As you travel throughout the country meeting and observing other police department's operations, programs, training, and technology, I invite you to share these observations with the Coordinating Commission as we all work together to build upon the excellent law enforcement agencies within Montgomery County.

I look forward to continue working with you on the County's Criminal Justice Coordinating Commission.

Sincerely,

Dolores Kozloski, Chair
